

# Our Family Newsletter

## We're Moving On!

Well we are finishing up our stay here at New Tribes Bible Institute in Jackson, MI. It's been a very busy and exciting last semester... from amazing classes to Chloe getting her first tooth to watching to Lord provide for our family in incredible ways!

One thing God gave us this last semester was a Laptop! It was our last Day up at Covenant Life Community Church, where we have been

attending for the last seven months. One of our good friends came up to us and said that the Lord had laid it on her heart to give us their laptop. It was such an answer to prayer. There are many other stories like that of how God has used different people to provide for our needs. What an awesome God we serve!

## What's Next For Us...

After much prayer and thought we have decided that we are going to spend the next two years of training up in Durham, Canada. There we will attend both Missions Institute and Language Institute. We are both very excited about moving on with New Tribes training, but Ruth is especially excited to start back in with classes.

We will be spending the summer in New Hampshire with Ruth's family. It will be a welcome break for Ben and it will be wonderful to spend some time with

family.

Thank you all for your support and interest in our lives. It is an encouragement to know that people are praying for us as we learn to trust God more and more everyday. We are looking forward to seeing you again and would love to hear from you whenever you get a chance, just drop us a letter or email. Thanks again!

Your Partners in Christ,

Ben Ruth and Chloe Kane

## Praises and Prayer

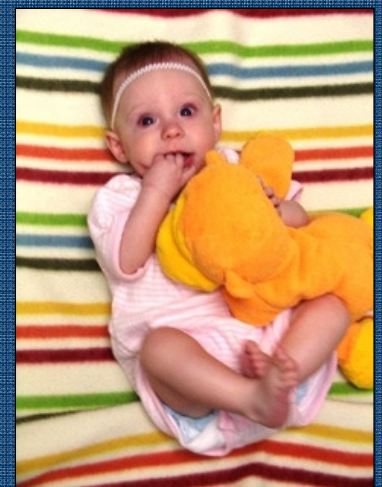

### Request

- Praise We have finished the first phase of training, the Bible Institute
- Prayer Upcoming travel from Michigan to New Hampshire
- Prayer A summer job for Ben.

Praise God's provision for us this past school year

**"How much better to get wisdom than gold, to choose understanding rather than silver!"**

**Proverbs 16:16**
